

ANCILLARY BENEFITS

The Scheme allows members to be able to access or receive services from:

Occupational therapists

A health care professional who is trained to treat injured, ill, or disabled patients through therapeutic use of everyday activities. The patients develop, recover, improve, as well as maintain the skills needed for daily living and working.

Audiologists

A health care professional who is trained to evaluate hearing loss and related disorders, including balance (vestibular) disorders and tinnitus (ringing in the ears) and to rehabilitate individuals with hearing loss and related disorders.

Speech therapists

A health care professional who is trained to assist patients with speech and language problems to speak more clearly.

Dieticians

A health care professional who is trained to assist patients with expert advice on diet and nutrition.

2023 Benefits Option A

Subject to sub-limit of
R2 570 per family per year.
