Affordable quality health care.

2020 Benefits Brochure

The South African Municipal Workers Union Medical Scheme (SAMWUMED) is a financially healthy, fully-funded, national-accredited and self-administered medical aid scheme which covers approximately 75 000 lives throughout South Africa.

We welcome and cover all South African municipality workers irrespective of affiliation.

Our Scheme is financially healthy with reserve levels way above 70%, exceeding the required statutory threshold of 25%. We pay claims!

DISCLAIMER:

This Brochure is prepared and distributed for purposes of providing you with essential information to help you select the best benefit option for you and your family. It is not a full guide to the Scheme Rules and Benefits and does not supersede the Scheme Rules. All contributions and benefit options presented in the 2020 Brochure are subject to the approval by the Council for Medical Schemes.

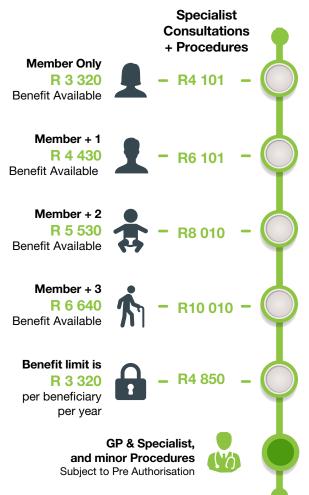

Doctor Benefits

2020 Benefits Option A

GP & Specialist Consultations, Visits & Procedures

GP & SPECIALIST CONSULTATIONS, VISITS AND PROCEDURES

Option A

Members and their dependents on Option A are covered for treatments by GPs, either at the GPs' rooms or the members' home.

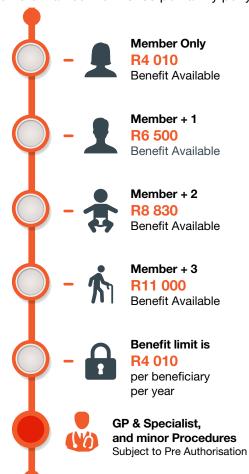

They, along with their dependents are also covered for Emergency treatment and procedures.

Condition

- The Emergency Treatment sub-limit is included in GP Consultations, visits and procedures limit. Option A amount R1 240
- Aside from GP Consultations, Visits and Procedures, Members under both Options receive additional benefits in the form of Specialists Visits and Consultations and Tests.
- The benefits are subject to the Scheme's network of doctors and the appointment of a family practitioner.

2020 Benefits Option B

GP & Specialist, Visits amounts are below & minor procedures, where no auths are required, have a different amount of **R8130** per family per year.

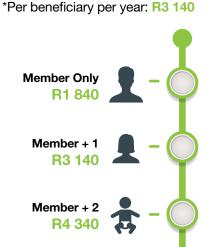

Medication Benefits

2020 Benefits Option A

2020 Benefits Option B

*Per beneficiary per year: R4 720

MEDICATION

The Scheme covers members on both Option A and Option B and their dependents for various types of medication, including prescribed, dispensed for acute; or a chronic condition including over the counter medicines.

Prescribed (A drug or medicine that legally requires a letter or prescription from a medical Practitioner for a pharmacy or any place that dispenses medicine to make it available to the member and or his or her dependents).

Dispensed (Dispensing refers to the process of preparing and giving medicine to a named person on the basis of a prescription).

Acute (This is medicines that have been issued by the GP but not added to a member's repeat prescription records). For the member to get additional medicines, they require a visit to their GP for a review before it is added onto their repeat prescription).

Over-the-counter medicine (This is medicine that may be sold at pharmacies or other shops without a doctor's prescription).

Highlights

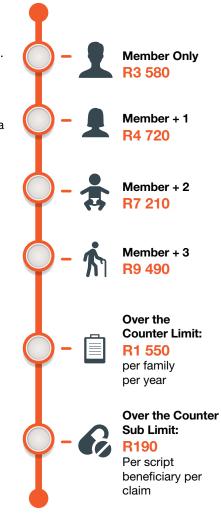

Option A

· We have added additional Chronic Medication to cover:- Depression, GORD & Gout **Option B**

- We have improved the Formulary List (Medication List)
- We have added additional Chronic Medication to cover:- Eczema, Depression, GORD, Gout & Menopause

CONDITIONS

- Members will pay 25% co-payment (payment by the member of a portion of the cost incurred) if they use a pharmacy that is not on the Scheme's list of service providers or if they use out-of-formulary medication or medicines that are outside of those recommended by the Scheme.
- To access Chronic medication, your treating doctor will need to call our Managed Care Provider, Medscheme on 0860 33 33 87 to register your Chronic Medication.

- Benefits are subject to the Scheme's network
- · Access to in and out of hospital benefit
- Enrolment into a Mental Health Programme at private Hospital Network
- Drug & Alcohol rehab standalone benefit
- PMB conditions apply

Ambulance Services

AMBULANCE SERVICES

Due to our understanding that sickness can strike anywhere, and at any time, we cover our members for Road and Air Ambulance Services

Conditions

Members must note the conditions listed below when activating this benefit:

- The Road and Air Ambulance Services can only be provided by Designated Service Providers (service providers selected by the Scheme).
- The benefit is unlimited for emergency assistance only.
- Case management and protocols apply.
- Members have to co-pay or pay a portion of the costs should they decide to use a service provider of their choice and not one designated by the Scheme.
- Members will be held responsible for the full cost of the Road and Air Ambulance Services should it be determined that the costs were incurred unnecessarily and cannot be justified from a medical perspective.

Infertility Benefits

INFERTILITY

Members are covered for infertility, commonly known as the inability by women (or men) of child bearing age to conceive children.

Conditions

- PMB conditions apply.
- · Limited to PMB only for Option A and Option B

Alternative Healthcare

2020 Benefits Option A

2020 Benefits Option B

ALTERNATIVE HEALTHCARE

Our Scheme not only covers members for visits or consultations with General Practitioners (GPs), it also covers them for alternative healthcare services. Members are allowed to consult healthcare practitioners listed below for treatments:

- Podiatrist (refers to the medical care and treatment of the human foot).
- Homeopath naturopath (which is the treatment of ailments through the use of natural medicine).
- Chiropractor (refers to the treatment of misaligned joints.)

Conditions

The practitioners have to be registered with the Health Professions Council of SA or Allied Health Professionals Council of South Africa.
